

THE UNDER SECRETARY OF VETERANS AFFAIRS FOR BENEFITS  
WASHINGTON, D.C. 20420

Dear Higher Education Executive,

As we approach the date for implementation of the new educational assistance program, the Post-9/11 GI Bill, we would like to express our appreciation for the spirit of cooperation that exists between institutions of higher learning and the Department of Veterans Affairs (VA).

We are aware that some institutions have policies in place to extend billing flexibility to enrolled Veterans. We want to communicate our appreciation for extending billing flexibility to Servicemembers, Veterans, and their eligible Dependents until your institution is in receipt of the student's tuition and fees payment from VA. During this transitional period, increased billing flexibility will ensure that the maximum number of Servicemembers and Veterans, as well as their eligible Dependents, will be able to take advantage of this new educational assistance program while attending your institution.

**Additional Information**

You can find more information regarding the Post-9/11 GI Bill visiting the GI Bill Website at [www.GIBILL.VA.gov](http://www.GIBILL.VA.gov). To find detailed information for institutions of higher learning click on the "GI Bill: Information for Educational Professionals" link.

VA looks forward to working with you to provide the best educational opportunities possible to our nation's Veterans and their Dependents.

Sincerely,
